

Manatee Festival 2010

What is the Manatee Festival?

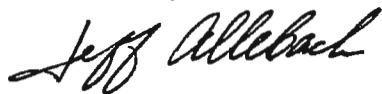

The Manatee Festival is described as a family fun festival showcasing environmental awareness, especially the Manatee. In addition it is a community fundraiser providing educational scholarships to deserving students of all ages. It also supports local charities and families in need.

Now why should you be interested in sponsoring this event? Regular attendance figures consistently count 6000 plus people entering the festival area every year. The event's advertising and news coverage reaches out to the entire central Florida area and your business will be presented in a positive light. It is a unique way to give back to the area that supports your business.

Who am I giving my money to? The Manatee Festival Committee is a small group of dedicated volunteers who put a tremendous amount of time into making this a wonderful event for everyone involved. No paid organizers taking a cut off the top, all proceeds are returned to the community to make it a better place.

Please take a look at the sponsorship levels attached and be a part of the Manatee Festival. For more information see our website at www.themanateefestival.com

Thank You,
